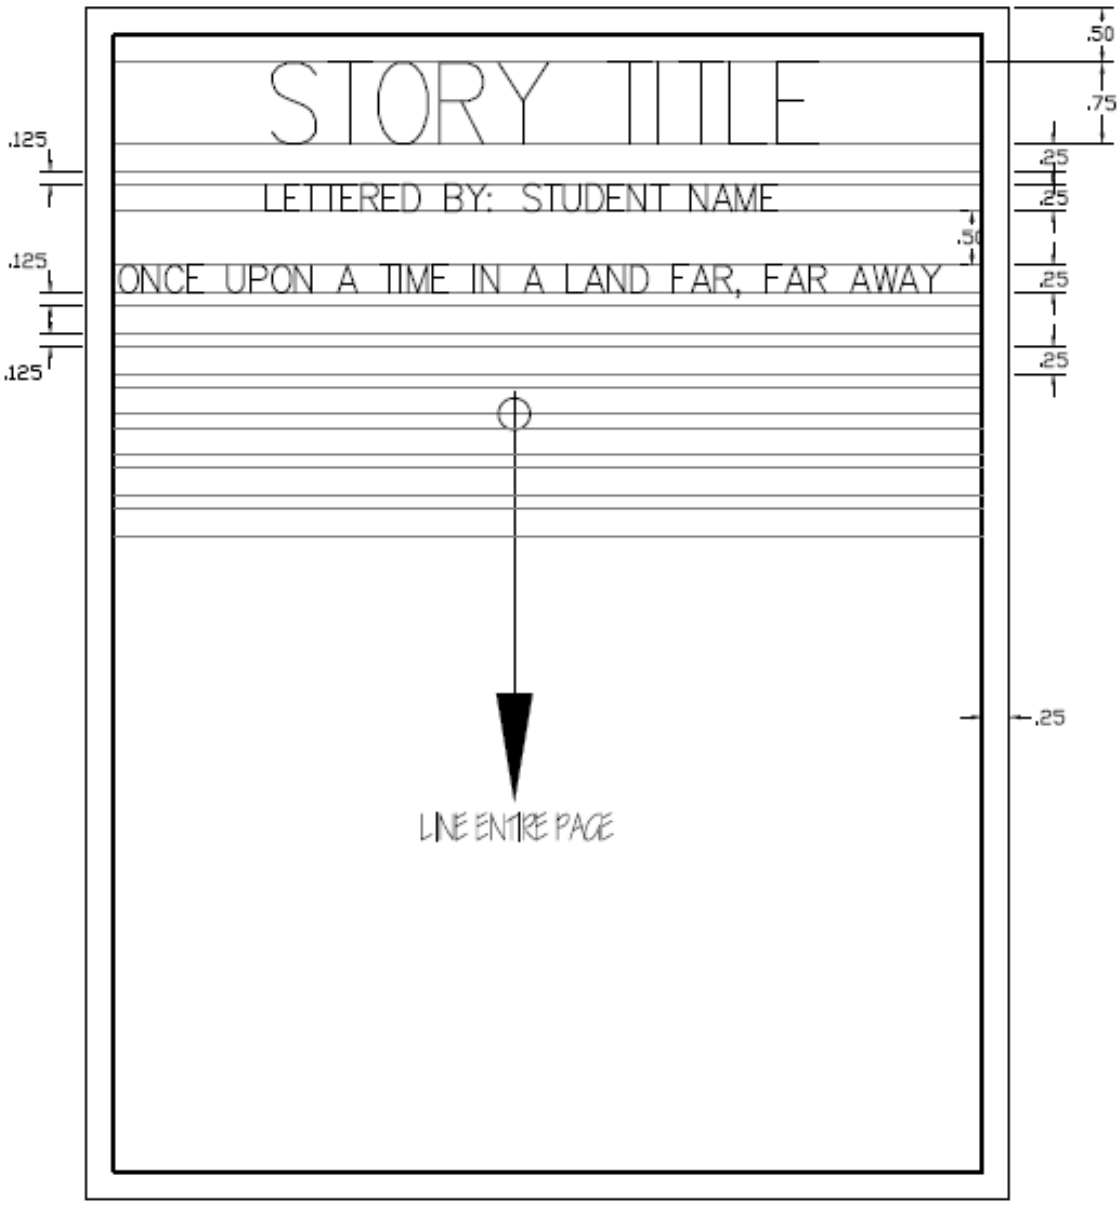
A Drafting Story


Using a blank A-Size Sheet of paper (8.5x11), draw a **dark** border and *light* construction lines along the paper as dimensioned below. Set up your page in the vertical direction. Choose a favorite story, song lyrics, or lines from a movie to letter the page with. Letter the entire page, focusing and taking your time to properly letter using the "Single-Stroke Gothic Lettering" technique. If needed, reference the lettering guide given to you.
