

Exercise 5- Interior and Cargo

Below is a list of items that maybe carried in a vehicle. Mark if you plan on your vehicle carrying such items, where they would be carried in the vehicle and add any others to the list you may want to include.

Items	Vehicle designed to carry this item (Yes/ No)	Location to be carried in vehicle
Purse		
Cell Phone		
Briefcase		
Groceries		
Dry Cleaning		
Weekend Luggage		
Family Vacation Luggage		
Pets (Dog)		
Tools		
Bikes		
Skies/ Snowboards		
Strollers		
Build/ Landscaping Materials		
Golf Clubs		

As for the function of the car, following are some interior functions that may require special consideration. Note how, (if applicable to your design) you will address these special considerations in your design.

Outside Visibility	
Reclined Sleeping	
Video Screen Visibility	
Face to face seating	
Tables & work surfaces	
Cooking	
Work/ Business Meetings	
Automated Driving	
Interior Flexibility (ie stowing seats)	

For the **drawing requirement** of this exercise, draft a profile view of your vehicle, outlining the areas of cargo. See page 111 for an example of this.
