Hello Students, Parents, and Educators!

Autumn is here, which means it's Exploring Post season again! We are currently in the process of planning the rest of the fall workshops and plan to release a schedule for those soon, but in the meantime we wanted to share some details about our upcoming College Information Session, scheduled for Tuesday, October 19th from 6pm to 8pm.

Beginning this fall, we will be moving back to in-person workshops! To start us off, we are offering students and parents the opportunity to attend the College Information Session in person at our recently renovated Detroit office space! **If you would like to attend in person at the Detroit Office, please email Bryan Seef (bryan.seef@smithgroup.com) or Shannon Stearns (shannon.stearns@smithgroup.com) BEFORE Friday, October 15th.** Please include your name, what school you go to, and what grade you are in, if applicable. If you contact us, we will provide additional information about parking and building access prior to the College Information Session. **All who are in attendance will be required to wear a face mask, regardless of vaccination status.**

A WebEx meeting (attached) is available to call into if you are not able to attend in person. If desired, there is a browser version of WebEx that will allow you to utilize the program without downloading it. Please note that if you are not able to attend this year's College Information Session, last year's session was recorded and listed on our website - [SmithGroup Exploring Post | SmithGroup](#). A lot of the information covered will still be relevant, but there are some new things in store for our 2021 event. If we are able to do so for this year's presentation, we will post these recordings on the SmithGroup Exploring Post website within a few days of the 10/19 session as well.

An approximate schedule for the Information Session is attached. Please plan on calling in a little early if you want to catch the whole presentation! Each university will have ~20 minutes to share their own screen+content. Following all of the presentations, there will be a Q+A session to give students the chance to ask the presenters more detailed questions they have. Regardless of whether you call in or attend in person, there will be ample opportunities to ask questions or follow up with the presenters.

If you have any questions about the information session, please feel free to let us know. If you know anyone who might be interested in attending, feel free to forward this email to them as well, CCing Bryan and/or Shannon. Thank you for your interest, and we hope to have you join us in person or virtually for the College Information Session soon!
