

ROUGH ELEVATIONS SKETCH

Using the building footprint, you selected, sketch out a ROUGH ELEVATIONS of your cottage in the space below. (This will take a few trials/ sheets to get it right.) Show the following in your sketches. You may use more than one page in order to sketch at a larger scale.

- Doors
- Windows (window grille patterns, trim work, etc)
- Façade and roofing materials
- Porch or decks (only 2 steps high off the grade)
- Title each elevation

Building Footprint Number Selected _____
