

3/24/22

OBJECTIVE

Seeking an entry level position at an architecture firm or engineering firm.

SUPPORTIVE QUALIFICATIONS

- Currently enrolled in Drafting and Engineering, Machine Tool Trades, English 10, World History, Chemistry, Street Law, Geometry, and Symphonic Band at Romeo High School
- Proficient in AutoCAD
- Familiarity with Fusion360 and is currently learning how to use knowledge on this program and putting it to use through HAAS CNC machines in the Machine Tool class at RHS.
- Qualified on many topics in the machining field through the ToolingU program.

JOB EXPERIENCE

June 2020 to Present Price Painting and Epoxy, Washington, MI.

Hired to mostly help out when needed. Spent a lot of time learning the ropes of how to successfully run a business in a market where larger companies dominate. Spent most summers from early in the morning to late at night laying epoxy coating on garage floors, basements, factories, and backyard patios. Have used large machinery including Husqvarna floor grinders, Simiron floor grinders, and an assortment of other machinery. Has had the unique opportunity to work with clients, answering questions they may have had, and getting the social interactions that are common in a work environment.

EDUCATION AND ACHIEVEMENTS

- Currently a sophomore at Romeo High School (*Expected graduation June 2024*)
- Received a 1st at the District XVI Band & Orchestra Festival
- Finishing 8th grade year with a 4.0 GPA
- Maintaining a 3.5 GPA or higher freshman year at Romeo High School

ACTIVITIES

- Michigan Industrial and Technology Education Society (2021 - Present)
- Romeo High School Symphonic Band (2021 - Present)
- Romeo High School Jazz Band (2018 - Present)
